## **REVIEW OF AGRICULTURAL SCIENCE PAPER 1 STANDARD GRADE 2013**

- REVIEW ON "THE HOBBIT" by J.R.R. TolkienAs reviewed by Ross RichardWithin the first minutes reading this book, I knew it was going to be one of the best books I have ever read! I think this was a great story. I had to share how I felt about it with all of you. I feel that people who like to read fantasy, or about adventures, would enjoy this book (I recommend reading the back cover before buying the book). My

personal reason I enjoyed this book is because it was about an adventure, I love to read about adventures. The story takes place in Middle Earth, in an area called "The Shire." The main characters are Bilbo Baggins, Gandalf, and Thorin Oakenshield. The main idea of this story is about Thorin Oakenshield, a group of dwarves, Bilbo (a hobbit), and Gandalf (a wizard) achieving a quest. The quest is about the group trying to slay a dragon that took Thorin's treasure, and the dangers they encountered. One of the most exciting parts (my opinion) is when Bilbo has a dream about getting kidnapped by goblins and when he wakes up it happens! My favorite part about this book is when Bilbo and the dwarves get kidnapped by goblins and they lose Gandalf! (Gandalf, the wizard, has been protecting and guiding the troop to the destination point, you have to read it to find out). The reason I like this part is because it is very exciting and suspenseful, I couldn't wait to find out what happened. This book was written by J.R.R Tolkien. He also wrote many other books. The best known were the "Lord of the Rings series." There are the sequels of what Bilbo's nephew and a group with him accomplish in Middle Earth. I think if you don't like stories that are fiction, to not buy this book, unless your teacher makes you read during the summer!

- The Hobbit is a story about a hobbit named Bilbo. He is invited to go on a journey with thirteen dwarves who are going to their homeland to reclaim the land and their gold. The main character is Bilbo, who is afraid to take risks and likes to keep to himself. The head of the dwarves is Thorin, who leads the others to the gold. A wizard named Gandalf helps Bilbo and the dwarves on their

journey. Bilbo acts as a burglar for the dwarves and rescues the dwarves in a lot of situations. The dwarves lead the way to the mountain to get the gold. Gandalf acts as a protector and advice giver to Bilbo and the dwarves. The characters run into a lot of trouble and adventures in the story. Each trouble is an adventure in the story like when the dwarves get caught by bad guys like goblins and spiders. They also fight a big battle with five armies. In all of the adventures Bilbo rescues the dwarves. My favorite character in the story was Gandalf because he was very powerful, and he was very wise. I can't really relate

to any of the characters, except Bilbo, because he likes to stay at home all by himself. I also like to stay by myself too, so I can do whatever I want without anyone telling me what to do. I really liked the book; I thought the book was very imaginative. My favorite part of the book was at the beginning when the author described Bilbo's house in detail as if I were really there looking at it. If I could change a part in the book, I would have the dwarves instead of Bard-kill the dragon. I recommend this book because it is a really good book. I think the kind of people who would like this book are people, who like fantasy and adventure stories.
