### **REVIEW OF MARKET LEADER INTERMEDIATE 3RD EDITION TEST FILE**

- This book brought back many painful

memories of a time when we could not let our children out of our sight for fear they would be snatched up by this monster and found dead and mutilated, days later. The quick apprehension of this killer was made possible by amazing cooperation by agencies and individuals who put aside their conflicts and worked as brothers in arms to protect the children of the community. They made sure that this man would never walk the streets again.

Unfortunately this killer became the poster child for the necessity for the death penalty in this state. It is unfortunate that he is not the last.

- I bought this book as a sophomore in college to review the material I had learned in high school (got a 5). This book is poorly worded, ambiguous and repetitive in its definitions, and sometimes downright incorrect. Made an OK review, but stay away from it if you're learning econ for the first time.
