- Dream Catcher is the first of Stephen King's novels that I've read, but I'm resolved to read more after this experience. The book absolutely grips the reader's attention and forces the reader to pay exclusive attention to what is going on. Never boring or excessive, every line is essential to the vivid

picture King creates. Being an avid reader, I've read quite a number of books over the years, among many different genres, but never has a book scared me the way this one did. In many different parts of the story, I found my heart racing along with the characters. An excellent piece of work, I would definitely recommend this book to anyone.
