*la perfection des deux arts, ou traité
complet d'hippologie et d'hippiatrie
arabes* France Agricole Editions

L'art de conduire des attelages n'est pas perdu, il séduit encore aujourd'hui toute une frange de jeunes ruraux qui le pratiquent avec passion et dynamisme dans l'attelage de loisir et de compétition ou dans des activités agricoles et forestières comme par exemple le décavaillonnage des vignes et le débardage des grumes. Les jeunes comme les anciens trouveront dans ce beau livre très illustré une documentation historique et instructive mais aussi l'émotion du souvenir. Si l'âge d'or du cheval de trait agricole entre 1880 et 1914 semble assez bien connu, son apogée (1925-1935) surprend, à la fois par sa brièveté et par les sommets qualitatifs obtenus par la sélection animale en vue d'adapter cet équidé à l'accomplissement de missions de plus en plus exigeantes. Entre le simple outil manuel et la machine automotrice à moteur de notre époque, la

mécanisation agricole, initiée au début du XIXe siècle, a dû son développement aux machines animées et tractées grâce à une énergie essentiellement animale. Qu'il s'agisse de labours, de transports ou de moissons, le héros incontesté de cette transition fut le cheval de trait associé en attelage ou en attelée. Il tire encore aujourd'hui de cette grande période son étonnante popularité et son rayonnement. C'est un souvenir impérissable pour ceux qui vécurent cette épopée. Marcel Mavré est l'un d'eux. Il se propose, par l'image, le commentaire et le document, de partager avec le lecteur l'ambiance de sa prime jeunesse dans les années 40 et de nous initier à ce qui fut l'un des aspects les plus spectaculaires des grandes mutations du monde agricole entre les XIXe et XXe siècles.

Si les courses au trot françaises sont, malgré la crise qu'elles traversent actuellement, les meilleures et les plus riches au monde, elles le doivent en grande partie à un homme : Ephrem Houël. Officier des Haras nationaux, homme de cheval accompli, littérateur

de talent, il fut le premier à songer, puis à permettre la création de la race du Trotteur français, qui devait faire la fortune de notre pays. C'est l'histoire de cet homme hors du commun, qui a passé toute sa vie à servir la cause équestre et les premiers balbutiements du trot que nous conte l'auteur dans un style très vivant. Un ouvrage passionnant et bien documenté, pour les amoureux d'histoire et de sport hippique. Journaliste, écrivain et historien, Jean-Pierre Reynaldo (1949-2014) a rédigé de nombreux ouvrages sur le cheval et l'art cynégétique, parmi lesquels Le Trotteur français, Le Trotteur américain et Charlie Mills, le cocher des dieux.

QUINTE+ le Ticket Magique éditions de l'éclat

Je suis Pierre Calvete. J'ai découvert des Méthodes Inouïes pour Gagner Plus que les Autres en Bourse - Placements- Paris sportifs - Paris Hippiques, voir l'ensemble de mes inventions réputées dans le monde entier sur easymethodes.fr. Je ne sais pas si c'est la chance ou le travail de recherches (50 années) qui m'ont permis d'aboutir. De toute façon je ne pouvais pas lutter contre cette envie de trouver quelque chose de simple et exceptionnel. Le TICKET MAGIQUE qui est le fond de ce livre, est une révélation qui est née de toutes mes recherches statistiques. J'ai voulu et j'ai réussi à «mettre en bouteille», à enfermer dans un simple ticket à 5 chevaux «L'ENSEMBLE DES ARRIVÉES DES COURSES» Ce livre et ce TICKET MAGIQUE s'adresse à TOUS puisque ce Ticket est valable pour Tous les Types de Paris Hippiques: Couplé - Trio - Tiercé - Quarté - Multi - Pick5 - Z5 - Quinté+ et plus encore. C'est en étudiant toutes les statistiques de toutes les arrivées des quintés que je me suis aperçu qu'il n'y

avait qu'un SEUL TICKET qui remplissait tous les critères statistiques. Ce TICKET MAGIQUE doit comporter 5 Chevaux obligatoirement.

Cours de science hippique, professé à l'École des haras, pendant les années 1848, 1849 et 1850 Calmann-Lévy

TROP DE LARMES ONT COULÉ SUR L'ARCHIPEL DE STOCKHOLM Une nuit de février 1944, à Stockholm, une mère de famille est retrouvée morte chez elle, clouée au sol. Trente ans plus tard, plusieurs femmes subissent exactement le même sort. Dans les années 80, le meurtrier récidive mais ce n'est qu'aujourd'hui que des indices refont surface. Britt-Marie, Hanne, Malin... À chaque époque, une femme flic se démène pour enquêter, mais les conséquences de cette traque pourraient s'avérer dévastatrices. L'Archipel des larmes, magistralement construit, nous fait traverser les décennies suédoises en compagnie de femmes hors du commun, avides de justice, et déterminées à arrêter ce monstre.

Race chevaline, espèces bovine, asine et ovine. Cours élémentaire d'hygiène hippique, etc Editions du Rocher

35.-41. années, 1863-69, include "Rapport fait au Conseil général ..." and "Procès-verbal des délibérations du Conseil général" for the years 1862-68, respectively, each with individual title-page and separate pagination.

REVIEW OF LES STATISTIQUES HIPPIQUES

- The first in a genius series, but it doesn't matter whether you read this series in order or not, Rex Stout masterfully makes each new book stand on it's own. You come to love these characters and can follow the series wherever you pick it up. I have read every Nero Wolfe more than once over the years, I now happily am re-reading them. This one is superb.

- Before buying this book. I wish I had. I was disappointed in this book. Jane Eyre is one of my favorite novels, I also loved Wide Sargasso Sea, but this book is nowhere close to being as good. The reason this book failed is that the author tried to write a book that was an extension of Jane Eyre but could also stand alone. The problem with this is that the person most likely to read this book, fans of Jane Eyre, want to read

about familiar characters and make connections to the original story, which this book fails to provide. Since this story is written by a different person and at a different time, it is understandable that the feel of the book is different, and I did not expect a book that was exactly like Jane Eyre. However, this book is billed as a companion to Jane Eyre so the author owes it to her readers to make a connection to the original story. Instead the author fails dismally in her attempt to reproduce the original characters. Every character was wrong and did not resemble the originals. The author portrayed Adele as a rebellious, scheming, unhappy girl, whereas in Jane Eyre Adele was happy if not resigned to her lot in life. Even the character of Jane Eyre is not portrayed accurately in this book. Speaking of accuracy, there are a lot of inaccuracies in this book. Like others have mentioned, it's almost as if the writer had never read Jane Eyre. I think the writer chose to ignore certain facts in order to make the original story fit her own. This is a mistake as anyone who has read Jane Eyre will be annoyed by the inconsistencies. The grossest inconsistency being (in my mind) was the supposed murder of Bertha before she fell off the roof. It was made clear in Jane Eyre and earlier in this book that Bertha was seen and heard screaming before she jumped. Finally, I was most disappointed in the cheesy overwrought soap opera ending. Mrs. F as a murdering maniac who is so intent on the Ingram/Rochester marriage that she kills the first wife and dangles the current wife over a ledge? Unbelievable. Even if I had never read Jane Eyre I still could have not enjoyed this book. The dark, garbled plot and all the twists and turns make this a difficult read.
