## **REVIEW OF STARLIGHT PEACHES MONROE 2 BY MIMI STRONG**

- Just wanted to agree with the other reviewers that this version is useless. I ended up getting a free version of this book from Project Gutenberg.

- When I started reading the Seduction Scenes chapter I felt that sexual tingle of excitement...just by reading it I was turned on! I thought that part of me was dead. After being married for almost 17 years with two active boys, I find it difficult to take the time to really enjoy sex like we used to do. Lately, it has been nothing but "quickies" so that I can sleep! Both my husband and I are looking forward to experimenting more with the Seduction Scene Strategies and Role Playing. I was telling my girlfriend about the book and she can't wait to read it!
