REVIEW OF CREATIVE INSPIRE P5800 INSTRUCTION MANUAL

- I really like Dostoyevsky, but I consider 'The Idiot' a novel that sometimes gets too boring. It is magnificent the way Dostoyevsky portrays the Russian situation at the time, and Mishkin is really an interesting character, similar to my mind to Aliosha Karamazov. However, the book is, I think, unnecessarily enlarged, and gets

stmes a bit dense and even boring. Maybe the next time i will like it best. Now I prefer 'Crime & Punishment' or 'The Brothers Karamazov', actually.

- Early in the novel, Eliot tells the great story of St. Ogg, who selflessly carried the Virgin Mary across a flooded river. The story pretty much frames the themes of the whole novel. The society of The Mill on the Floss is harsh, and the main characters must find it in themselves to live compassionately despite actions of the people around them. This tragedy is primarily the story of Maggie. Her father's unwitting actions spark the family's financial downfall. In the Victorian society, this downfall is particularly

harsh toward women like Maggie. She has to struggle against the deterministic forces fighting against her. A lot of people don't like the opening hundred pages, but I thought they were some of the best. There was some wonderful biting humor, some extraordinary characterizations (particularly of Mr. Tulliver), some powerful imagery (look at the descriptions of the river), and real humanity. These elements carry on throughout the novel, and the plot picks up, too. Overall, this is a wonderful novel. Perhaps it is not Eliot's best, but it is too good to pass up.
