REVIEW OF YAMAHA YAMAHA XMAX 300

- Johnny in the Spot is one impressive read! Not only does it delve into one persons fascinating "alternative" lifestyle, also offering a peek into the life of a disabled person, but it made me take a closer look at my own values, standards and life. You find yourself relating to the interesting characters and detailed situations they find themselves in in a way that is surprising and at times disturbing. Ed Gallagher not only entertains you, but, most importantly, he makes you think.
