REVIEW OF SUZUKI BOULEVARD C90 S

- The book was long boring and hard to understand
- This book was a very

big disappointment. I thought this book could have had a couple minor plot changes. I also thought the way the main character, Pip, transformed through his expectations was shallow and pathetic. To conclude, I believe that the chapters are cycled like story line with many characters and an entire chapter with Pip talking to himself and talking about his expectations. Thank you for reading my review.
