REVIEW OF STOP THE CHAOS WORKBOOK

- A great, comprehensive guide that helped me to understand why this happened in a historical context. Also helped me to get a better grasp of what to expect with the war against Afghanistan and Al Qaeda. Now I know why this happened and what to expect. The news media seems to breeze over historical elements in favor of status quo Anthrax and military events but this book really helped me to get caught up on my facts. Highly recommended!

- And by fans, I do not mean the metal and plastic contraptions that whip air about a room at wonderfully cooling speeds. Fans of the great, Douglas Adams. If you are on board with Adams, you will love and cherish this tiny, tiny work of art.
