Thanks for selecting our platform for your PDF downloads. We expect supplying you with exceptional solution and diverse alternatives for years to find.

## **REVIEW OF ASTM 53B TO 54B PDFSDOCUMENTS2**

- When a little hobbit, a powerful wizard, and a band of thirteen homeless dwarves go on a quest to beat the smaug, a dragon that brings terror to the whole countryside. Will they make it there alive or will they run into the deadly orcs, wolves, giant spiders, and many other things lurking in the darkness. If you like this book here are three other books by J.R.R. Tolkien, 1.The fellowship of the ring 2.The two towers and 3.The return of the king. hope you like it as much as I did!

- I loved this book when I read it.The hobbit is sometimes described as a childrens book but it really isn't. Children might like it but it isn't 'for' children any more then the fantasy genre is in general.I think this books stands above the LOTR trilogy quite easily because it's primarily a book about good vs evil as opposed to the two blended and mixed on so many levels as to leave you feeling depressed. This is a straight out story. Beautifully written, no axe to grind or weird theology to push (or confused theology) it just is.I like it.I gave it five stars for the quality of the writing and the storytelling magic it conveys. The characters are very memorable and leave you feeling inspired.I think it was on my top ten books list for over a decade or so.(a fantasy novel doesn't have to have depression and horror stories to make it 'adult'.)PS. I don't generally like the fantasy genre because it often glorifies all kinds of things that arn't healthy (harry potter for example). But that being said, I think that the hobbit would fall less into that category then the narnia series (personally) and those are marketed as 'christian books'. It's the heart of a book that strikes you the most - not necessarily the vehicle that carries it. I think the hobbit is pretty harmless compared to the majority of stuff that's out there.I'd read it to my children if they were old enough and wise enough to understand the implications of what they were hearing.
