REVIEW OF KINDLE KEYBOARD USER GUIDE 3RD EDITION

- I read this book for the first time when I was 10 and I've read over again several times. The book is so worn out from me reading it, I'm going to have to get another copy soon. The writing is very detailed; I could see everything in my head as I read it. I love the characters in the book, especially Kit and Nat. They and the other characters seem very real. The story never gets boring and the ending is good too. It's one of my favorites.
- This was truly an excellent book! It was full of excitement and danger. I could not stop reading this book! Many parts of the book were just shocking! The Witch

of Blackbird Pond gave me a good idea of what life was like in the Connecticut Colony in the mid 1600's. I would definitely recommend this book to readers everywhere!!!
