Remember, reading reviews can assist you make informed choices concerning what to read following and can expose you to new writers and genres you may not have thought about in the past.

## **REVIEW OF GRADE11 JUNE QUSTION PAPER HISTORY**

- Carl Hiaasen writes books that could take place only in Southern Florida or South Louisiana. If you've ever been to either, you know what I mean. Hiaasen manages to populate his books with a collection of low-lifes and weirdos that should be repulsive but wind up hilarious. The plots are like episodes of

Seinfeld, twisting and turning in all directions before coming full circle. Stormy Weather is one of his best, in my opinion. The targets are classic Hiaasen-tourists, snowbirds, and developers. No

one skewers them all like Carl Hiaasen.

- I purchased this book for a friend who is going to have gastric bypass surgery. She has read the book and said it was very helpful to her.
