Thanks for choosing our system for your PDF downloads. We eagerly anticipate supplying you with outstanding service and diverse choices for many years ahead.

REVIEW OF THE BASIC NOT BORING MIDDLE GRADES LANGUAGE ARTS BOOK ANSWERS

- I read this in college after reading Charles Colson's book "Born Again." You remember Colson, don't you? He was Richard Nixon's hatchet man. "Mere Christianity" is the book that led him to Christ. He became a Christian and shortly thereafter, went to prison for his role in the Watergate scandal. (No, God doesn't always rescue us from the consequences of our mistakes. Sorry!) Since that time he's been the founder/leader for Prison Fellowship--talk about making lemonade from lemons!, and one of the fieriest Christian leaders of our time. I'd also read somewhere else that Dr. Lewis was an atheist at one time, and wanted to hear about the religion I grew up in from the perspective of a critical thinker who'd chosen it after intellectual consideration and not just because he knew nothing different. I was not disappointed. And eventually, I chose Christianity after weighing all the evidence for myself. This is not easy or light reading. You will read a page or two, and have to think about it and chew on it awhile. But what insights. Twenty years after the first time I read this, I am newly convicted and challenged every time I pick up this book and re-read a passage from it. Like Oswald Chambers' My Utmost for His Highest, this is communication that will stand the test of time. If I had only five books to take to a desert island, this would be the second one I'd pack after my NIV Bible. Christians and sincere seekers, check in here. You're in for the ride of your life!

- C. S. Lewis is one of the greatest theologians of our day. In this book he does an amazing job of breaking down and explaining some of the main ideas that surround the Christian faith. Some people prefer to view this book as an apologetic masterpiece. I however, saw it as an explanation for many of the aspects of Christianity that just don't make sense. There are so many aspects of the Christian faith that I don't really understand and that I often have to take on faith. Understanding

issues like the Trinity, the problem of sin, why we need God, are all things that I think about. C. S. Lewis takes a crack at helping explain some of the intricacies of the Christian faith. Overall I think it is a great read. It is definitely something that you want to take your time with and really let some of Lewis's ideas sink in. I think it would be ideal for a book study or small reading group.
