REVIEW OF THE GREATER WORDS OF POWER THE SECRET CALLS OF ARCHANGEL MAGICK

- Struts is a great framework, but there

is a shortage of good documentation. This book is written in a nice style, but there are far too many errors to give it a good rating.

- I would rate this book 1 star if the whole book was like the beginning, and five stars if the whole book was like the end, and the average of 5&1 is 3 so this book is definitely a 3. I liked the saboteur, kidnapping, and rescuing parts the best, and hated the unimportant parts in the beginning.
