REVIEW OF SHORT ANSWER TEXT BASED QUESTIONS FOR FRINDLE

- The kit is a good introduction to the world of angels. It gives insight to beginners (like me), but I will say, it leaves you wanting to know more. I would recommend this to anyone who is curious about angels. It's a small investment that can break down skepticisms one might have. I wasn't sure about all of this "connecting with your angels" stuff at first. But once you give them a chance, they can help guide you in life. They've come though for me whenever I've asked them to. When I bought this kit I also purchased the archangel oracle card set. I was surprised at how accurate they can be. I'm a believer, now, and Doreen Virtue really seems to know her stuff. I have purchased other books, CDs, ect. from her. Hope this helps.

- I had to read this book for a class I took in college on the Civil War. Out of the whole class, reading this book was THE BEST experience. I rave about it to anyone who will listen and believe it is one of the best books ever written. In its pages you'll see the power of love, sacrifice, redemption, and providence overcome the evils (which are indeed real) of the world. Buy it, read it through to the end, and you will not regret it. Most warmly and sincerely, Devin
