Overall, our analysis of Cross Coupling Reaction Manual Desk Reference has supplied us with an abundant understanding of the narrative and its literary potential. We highly suggest this publication to visitors who are searching for a thought-provoking and mentally impactful read.

REVIEW OF CROSS COUPLING REACTION MANUAL DESK REFERENCE

• Several readers excoriate Atwood's Tale for being an unrealistic glimpse into a future that has not come. However, this book does not contain the same portents of the future as Orwell's novel 1984, which follows similar plot lines. Rather, it seeks to reframe the past. My gut reactions to fictitious events in the book were mixed with horror and disbelief. Then relief that we as a society are not subjected to the injustices which Atwood's characters justify. But the parallels with the past are present- and in the book's Epilogue, entitled Historical Notes, they are made even more apparent. Atwood describes an

Underground Female-road, shuttling women to safety. America had it's own version in the 19th century, the Underground Railroad. Atwood describes videos of slaves picking fruit and cleaning up waste in The Colonies. This could foreshadow painful aspects of our culture too. The adulterous and treasonous, whether guilty or not, are ceremoniously killed in public hangings, a practice that was once part of Puritanical New England society. Countless other faceless people hide or flee from the radical religious persecution which characterized the Holocaust. Indeed, Atwood's ending, entitled Historical Notes, acknowledges the historical foundations of the outrageous practices and ceremonies employed by the fictitious Nation of

Gilead to subvert the protagonist and others. The passion of some and the indifference of others in the face of human suffering is nothing new, but Atwood's novel nonetheless illuminates the topic in the context of true historical events. She aptly reminds the reader who says "none of this could ever happen" that it already has, and still is. Read this book as a vision of the future and you will be left with a piece of radical feminist propaganda, an entertaining, almost comical story, but you will miss the author's intentions entirely.

- I have found that people don't like to read negative reviews, but I fear I must

give one here. I did not like this book (this I am afraid is a gross understatement of my feelings towards 'The Handmaid's Tale') I read this book and was shocked and disgusted by the sexual content and the vulgarity. The book in some way uses the characters' sexual activities and swearing as signs of rebellion. I do not think this is the best way. The plot might have been interesting to me had the characters not all been so sleazy, and lustful. They were always, it seemed, dreaming/doing sexual things. I felt like I was reading a book by an author whose main influences were *Flowers for Algernon* and science fiction stories, the kind you buy at Shoppers Drug Mart.
