REVIEW OF ENTERPRISE 19 TYPES OF UNEMPLOYMENT ANSWERS

- When I first read this book, I felt really low. However, once I'd finished this wonderful story about 8 small town women who made it good, I felt inspired, amused, and wishing that there had been more... say another few thousand pages....I've read this book six times already, and each time it gets better. Knowing how the story ends doesn't change a thing - Cynthia Hartwick's style is designed to make you laugh, and bring the unforgettable characters to life almost instantly. This is one of the best books I've read all year - fiction doesn't get much better than this!

- Another great book from Brian Jacques -- the story is addictive -- you find yourself wanting more!! I bought these books for my kids, and found that I liked them even more than they did! Great stuff -- nothing to worry about with your kids reading them -- yet enough of a challenge for advanced reading levels without some of the garbage content

you get in other "series" books.
