#### **REVIEW OF PRODUCT MANAGEMENT LEHMANN WINER**

- With only four stars on the average review for this I had to add a review of my own! I give this five! I would give more but that's as high as we can get here at ama-zone eh>? This book is in many ways better than the book he's referring to by writing it! This is a good gift. Enjoy! PS: try the audio book format of the Four Agreements; the man has a beautiful soothing voice. But get this one in book format to sit under trees this summer and wonder...
- This was truly an excellent book! It was full of excitement and danger. I could not stop reading this book! Many parts of the book were just shocking! The Witch of Blackbird Pond gave me a good idea of what life was like in the Connecticut Colony in the mid 1600's. I would definitely recommend this book to readers everywhere!!!
