REVIEW OF FOOD SUPPLY CHAIN MANAGEMENT AND LOGISTICS FROM FARM TO FORK

- Bought this for my aging father-in-law, he couldn't read it, said it was too complicated, and he already knew how to play pinochle so this book was pretty much a bomb. Don't waste your money.
- The Best of Alaska chapter (Chapter 1) helped my family decide which sights and activities we were most interested in for each port of call. The phone numbers, websites, prices, business hours, and detailed descriptions were extremely useful in booking and planning our daily activities. The mile by mile outline of points of interests in The Seward Highway: a Road Guide (Chapter 8 Section 2) and Out from Anchorage: Turnagain Arm & Portage Glacier (Chapter 7 Section 8) made our rental car drive from Anchorage to Seward one of our trip's highlights. I used Frommer's Alaska 2006 everyday on my trip and am so glad I had this book with me on my Alaskan cruise.
