REVIEW OF COCO CHANEL LA SIGNORA DELLA MODA

- I just finished this for my freshman English class. I can undestand why peoplewouldn't get it, but our teacher discussed each chapter with us as we went, and I really got how powerful this book was. Stephen King said this is the book he wishes he had written, and I can see why. I don't agree with Goldings dark view of humanity, but I didn't see this book as allt hat pesiimistic. Their WERE good people on the island, even if they died. All the characters were very realistic. Thier metamorphasis in the book was facinating. I think everyonbe should read this book.

- I enjoyed this book tremendously and had a hard time putting it down! I didn't want it to end! I got a wonderful and informative history lesson as well as a delightfully narrated story. I can't wait to read more about the Tudor time period and Anne Boleyn. And I especially can't wait to read more books by Philippa Gregory! I definitely recommend this book: easy reading (the 600+ pages flew by) and a wonderful story!
