**REVIEW OF GRADE11 PAPER 1 AGRICULTURAL SCIENCES 2013 JUNE**

- Such a disappointment , a true waste of money, it was clearly not a historic novel , nothing, nothing, nothing worth reading. I agree with a previous review, two-dimensional characters , the too-innocent Mary, the too-evil Anne, the too-merry George...It also annoyed me the detailed reference to sex , which was NOT adding any valuable information about the plot. I was misled from the previous good reviews, but now i know better...I read it, I always read the books I buy, but I was so frustrated, never again this writer. NEVER

- I first fell in love with this book several years ago and actually keep it as my fall-back re-read at least once a year. The movie in no way did the book justice.
