Ohio, September 12th, 13th, 14th, 15th, 17th, 18th, 19th and 20th, 1860 N o Exhibitor or Exhibitor's agent can act as Judge on the class in which he exhibits. And during the examination by the Judges, if any person interferes with them, by letter or otherwise, he will be excluded from the competition. But Exhibitors, when requested, are expected to make verbal or written statements concerning their contributions. Such statements, if of interest, will be published. Exhibitors of implements and machines will bear in mind that the object of the United States Agricultural Society is not merely to have a useful and an attractive display, but to give currency to

those inventions and improvements which are likely to benefit the public at large. The awards are published in the Journal of Agriculture, and successful competitors can have engravings of their machines or implements inserted, free of charge, if properly executed cuts are placed in the Secretary's hands prior to the first of October. Engravings of premium animals will also be inserted in the Journal of Agriculture free of expense. Exhibiting members (ladies or gentlemen) each pay a fee of three dollars, which entitles them to enter as many different animals for exhibition as they may own; but they must pay separate fees in each instance when they act as agents for others.

When a firm exhibit, only one member is entitled to an Exhibitor's ticket. Exhibitors' tickets entitle the holders to free admission during the Exhibition, but are not transferable; and any Exhibitor known to transfer his ticket will forfeit his privileges, be excluded from the grounds thenceforth, and be deprived of any premiums awarded him. Each Exhibitor is notified that entries are received under the above conditions, which will be strictly adhered to. REVIEW OF EXHIBITORS LIST AS OF SEPT 2015 MESSE FRANKFURT

- Charles Russell left us a wonderful gift in these stories. He managed to capture a first-person account of the Old West. I read this book many years ago, and recently re-read portions. Highly recommended to anyone who enjoys good American western writing. Highly recommended.

- This volume collects twelve issues of the magazine and the story is about . . . -- well, I'm really not sure *what* it's about. There's Jack Knight, an apparently non-superbeing (since he has to rely on some kind of unnamed tool-

weapon to fly and is otherwise vulnerable to the usual threats of violence), whose father was an earlier version of Starman -- but there are several alluded-to earlier, future, and alternate-world Starmen. He apparently has a girlfriend, and he apparently got some other chick pregnant, but those themes are just dropped into the script without explanation. And someone Bad is attacking Opal City, but I have no idea why. The prose is excessively purple, the artwork is mediocre

even by the 1960s style it resembles, and I lost patience halfway through, just giving the remainder a skim to see if I could pick up the plot somewhere. Yes, this is not the first volume published (there were sixty issues of the comic before this), but nearly every other middle-of-the-story book I've seen makes at least an effort to provide some backstory, if only by adding an introductory "catch up" chapter. Unless you are intimately familiar with all that went before in this series -- which I am not -- save your money.
