So, what are you waiting on? Start your reading adventure today with digital Pub Quiz Questions And Answers Multiple Choice publication downloads. With numerous titles and categories to choose from, the opportunities are limitless. Satisfied analysis!

REVIEW OF PUB QUIZ QUESTIONS AND ANSWERS MULTIPLE CHOICE

- I loved this movie!!! So when I started reading this book I expected it to be like the movie! It just didn't keep my interest.

- The greatness of this book is truly, in the word's of Vizzini "INCONCEIVABLE!" What's this book about? Fencing, fighting, true love, strong hate, harsh revenge, a few giants, lots of bad men, lots of good men, pain, death, brave men, coward men, escapes, lies, truth, passion, miracles. It's hilarious, heart breaking, and terrifying all at the same time. If none of that sounds good to you, or if you've seen the movie and didn't like it, don't read the book. If you liked the movie, the book is twice as good!Who's the genius behind this incredible book? The answer is simple, William Goldman (which is another whole story in its self). If you look at the book you'll read: "S. Morgenstern's Classic Tale of True Love and High Adventure. The "good parts version" abridged by William Goldman." In Goldman's introduction he explains how when he was a ten years old and was home sick with pneumonia, his father read him the book. (Sound familiar? If you're remembering the scene between the grandfather and the boy in the book you're right.) His father was a poor, English struggling immigrant from Florin, the setting of the Princess Bride. His father explains how Morgenstern was a great writer in his country and that there it is a very famous book. Goldman obviously loves the book.As a man, Goldman decides to give the book to his son, Jason for his tenth birthday. After putting in an enormous amount of time and money to track down the book, to his shock the son hates it. In turn, he decides to re-read the book for himself. What he discovers is that his father didn't actually read him the whole book, he only read him the good parts. The book in fact was not even really focussing on the story he heard, it's actually all about the history of Florin. Goldman decides to abridge the book with only the "good parts."Everything I have just told you is a lie and it will drive you crazy the whole book! William Goldman did not in fact "abridge" the book he wrote the book. He invents Florin, he invents Jason, he invents everything! Why such a brilliant writer would completely give all the credit to another writer who never existed I will never understand. The book is filled with clever and hilarious "abridgement notes" from Goldman. Not only are they funny to read, they keep you on top of things so you never are confused or find yourself searching back for explanations. If you don't like this sort of thing, don't worry they're written in a way that can be easily skipped.You can read about all of the plot in any other review, but in a couple of sentences: Buttercup falls in love with the gorgeous Farm Boy. He goes off to America to seek their fortune. Buttercup learns that he dies. She is forced to marry the awful Prince even though she vows never to love again. Buttercup gets kidnapped... this is just the beginning! If I go any farther I'll give it away! If this sounds like a stupid fairy tale to you TRUST ME its not! Sure, it's about love, but in between revenge, poison, a man obsessed with human pain, death, duels, well I think you get the idea.As if all of this isn't enough! There is something special about this addition you can't find anywhere else.If you want to read a great story about true love, victory, defeat, pain and if you want a book that will make you laugh out loud, cry, or tremble with fear this is THE book. I truly think I can honestly say there is no other book like it. I would would put it against any of the great fantasy

story writer, Tolkien, C.S. Lewis anyway! It goes ten times faster than any of the Lord of the Rings THE BOOK FIRST! It's got so many exciting turns and such an incredible ending, don't ruin it for and is in my opinion just as exciting if not more. One tip, if you haven't watched the movie READ yourself like I did.
