REVIEW OF STEPS IN TIME FRED ASTAIRE

- What an excellent book. Great use of characters and character growth. The chracters are revealed slowly in layers. Multidimensional supporting characters. There are a pair of young girls that are so well created you can hear the russle of their gowns and the patter of their feet running down the palazzo's corridors. A mystery that grows slowly throughout the book. Wonderful sense of the time and place. I have cried 3 times while reading this book. The level of mystery and intrigue reminds me of her Ghostwalker series which has the same depth of conspiracy interwoven into the romance. This is certainly one of Christine Feehan's defining works.

- wait, is this really the *complete* reference?
