REVIEW OF URBAN JUNGLE INSEGUIMENTO

- Little Britches is a wonderful book. The descriptions are easy to picture and the story is very calming. I am 14 and enjoyed reading it, and then I started reading to the kids I baby sit. The feelings/emotions cross all age boundaries. I highly suggest the whole series.

- Nothing enlightening here. Same old techniques that have been discussed for years, with some minor tweaks. Suggest the book where a gentleman participated in the memory contests and learned the techniques.
