REVIEW OF FINANCIAL ACCOUNTING A SIMPLIFIED APPROACH 3RD REVISED AND ENLARGED EDITION

- If you have time for only one book this

season, make it this one. It is beautifully written and soothing to the mind and senses. The manner in which Vreeland tells this lovely tale is a new approach, one which works quite well. Reading *Girl in Hyacinth Blue* paints a picture in the mind as lovely as the art described in various chapters. This is a remarkable experience. Now go get the book and read it.

- I have been a fan of the Scarpetta novels for years and have read every one. Unfortunately, this one will probably be my last. I couldn't even fight my way through this one. I read over 100 pages of this thing, and nothing happened. I think this character has run its course. It's time to do something else.
