«Espléndida. La gran marcha ofrece una iluminación, artística y palpitante, de un acontecimiento histórico como sólo la ficción podía conseguir. Doctorow aparece no tanto como un reconstructor

de la historia, sino como un visionario que logra extraer...

El Salvador: la larga marcha de un pueblo Editorial Cienflores

El 1 de junio de 2018, con el triunfo de la moción de censura contra Mariano Rajoy, cambia la historia de España. El Partido Popular queda desmadejado en sus entrañas. Y el enfrentamiento a muerte de dos de sus principales dirigentes, la vicepresidenta y la secretaria general, posibilitan la llegada al puente de mando de un joven líder: Pablo Casado. Graciano Palomo, experto analista político, especialista en el centro derecha, responde en este libro a muchas de las preguntas que se han hecho todos los españoles: * ¿Por qué no dimitió Rajoy? * ¿Por qué no quiso dictar a su sustituto? * ¿Por qué no se presentó Feijóo como candidato a la dirección? * ¿Quién manda de verdad en el actual firmamento popular? En un relato con ritmo de thriller, *La larga marcha* desvela la intrahistoria de esos días y los secretos de muchos de sus actores, construyendo un mosaico que explica el pasado y el presente y aventura el posible futuro de la derecha española.

[La larga marcha](#) Instituto de la Mujer

En esta extraordinaria novela la ubicación geográfica y temporal es absolutamente reconocible: desde la España de la posguerra hasta el inicio del largo final del franquismo. La mirada narrativa de Rafael Chirbes pone en evidencia los oscuros e incómodos mecanismos personales y colectivos de nuestra historia; las claves narrativas de

una historia que una y otra vez sale del olvido y se hace carne: novela. El amplio y ambicioso horizonte narrativo que el libro aborda se acomoda en dos grandes bloques: la posguerra española y la resistencia antifranquista de los años sesenta. Dos generaciones caminan delante de un espejo que no devuelve imágenes gratas o autocomplacientes. Hombres y mujeres que se reparten el dolor y la humillación de la derrota (y en algún caso, los despojos y el botín) mientras aprenden la dura tarea de sobrevivir y salir adelante. La juventud universitaria que intenta tomar conciencia mientras aprende a construirse contra un pasado que inevitablemente forma parte de su herencia. Estamos frente a una de esas novelas que los lectores reclaman a los autores de su tiempo, frente a una de esas novelas que se esperan. Estamos ante una cumplida ambición narrativa de primer orden. Una novela apasionada que exige una lectura apasionada y que confirma a Rafael Chirbes como una de las grandes voces narrativas de nuestra literatura. «En La larga marcha se habla una y otra vez de una “nueva España”, y todo el que cree en la posibilidad del cambio deposita en esa idea siempre el mismo ingenuo entusiasmo. Lo que ocurre con Rafael Chirbes es que ha escrito una historia de las grandes esperanzas y las grandes promesas, pero también de los grandes desencantos» (Marcel Reich-Ranicki, Das Literarisches Quartett).

La larga marcha La larga marcha

Esta es la crónica de un gigantesco esfuerzo colectivo, la historia de un éxito: la larga marcha de España hacia Europa, esto es, hacia la modernidad. Así presenta Joaquín Estefanía este volumen, que recoge el fruto de muchos

años de atención, desde un observatorio privilegiado, al devenir de los acontecimientos políticos y económicos de España. En estas páginas, enmarcadas por un nuevo prólogo que analiza la evolución de la Unión Europea en el tiempo transcurrido desde la primera redacción de la obra, desemboca buena parte de la labor periodística realizada por el autor para el diario Informaciones y el semanario Cuadernos para el Diálogo, para Cinco Días y, sobre todo, para El País, en lo que constituye un viaje por la búsqueda del sueño europeo, y una reflexión sobre por qué sigue valiendo la pena perseguirlo. La larga marcha es, al mismo tiempo, un relato político y económico, un ensayo hemerográfico, un documento sociológico, una crónica periodística y un testimonio; pero su autor desea que se lea, ante todo, como «una mirada al servicio de la memoria y, con toda humildad, también de la historia de este último medio siglo que ha sido para buena parte de las distintas generaciones de ciudadanos españoles una suerte de utopía factible: Europa».

La larga marcha Grupo Planeta Spain

Trans rendirse a las autoridades a cambio de proteger la vida de Chini, la hija de Cochise, Blueberry iba a ser juzgado y sin duda ahorcado. Es lo que Red Neck viene a anunciar a Jimmy Mc Clure, que ahoga su pena en el alcohol. Ambos preparan la fuga de Blueberry, para lo que recurren a la ayuda de Lilly Calloway, alias Chihuahua Pearl.

BLUEBERRY 20. LA LARGA MARCHA
Edicoes Loyola

Un periodista norteamericano llega a China a fines de los años 20, en el momento que son derrotadas las insurrecciones que lleva adelante el Partido Comunista de ese país asesorado por la Comintern. Los destacamentos guerrilleros que logran salvarse se reagrupan bajo la dirección de algunos probados jefes. Y, en retirada, emprenden una de las epopeyas militares mas resonantes de la historia: recorren 12.500 Km., librando cientos de combates y, con el ultimo aliento, al fin llegan a una región intrincada del noreste que les servirá como refugio para reorganizarse y establecer su gobierno provisorio. Edgar Snow decide llegar hasta las zonas rojas. Y da a conocer al resto del mundo los sucesos que se narran en estas paginas, que hasta ese momento estaban cubiertos por un inexpugnable cerco militar y mediático. La historia dirá que desde allí partieron las columnas que finalmente en 1949 conquistaron el poder en el país mas poblado del mundo. También fue el lugar donde se fogearon algunos de los estadistas mas influyentes del Siglo XX.

Una obra de enorme valor, comparable a Diez días que conmovieron al mundo de John Reed o a Los que luchan y los que lloran de Jorge Masetti.

REVIEW OF LARGA MARCHA LA

- Fue esta la primera novela que leí de Isabel Allende... desde entonces, no he dejado de leer. Es una novela conmovedora, con todos los aspectos de la vida cotidiana de su época. Un relato encantador, con una pasión reveladora de la liberación femenina y el coraje y sacrificio que ello conlleva.

- Great Expectations was a mediocre book. I was not impressed. I had to read this book for my 9th grade honors English class. It was too long and boring. I see were Dickens was trying to go with the suspense, but it just made the book monotonous and boring. The uncanny coincidences just did not seem real. It's ok to use a coincidence as a tool of suspense, but this was just overkill. Every chapter was boring. I got tired pretty quickly of pip wishing he were with Estella for the whole book. Also, the book seemed to stray away from the main point for chapters at a time. Who cares about Wopsle's stupid plays? This could all be summed up in a couple of page short story. In conclusion, this is

another swing and a miss for Dickens. STAY FAR AWAY FROM THIS BOOK! If you want to read a good Dickens story, read "A Christmas Carol" and nothing else written by Charles Dickens.
