Arihant CBSE English Core Term 2 Class 12 for 2022 Exam (Cover Theory and MCQs) Oswaal Books and Learning Private Limited

Painting and Understanding Abstract Art is a practical book on how to paint abstracts but it also explains how to approach and understand abstract art. It moves the teaching of art from a doing level of painting a certain subject in a particular medium to a thinking level of 'what am I doing when I paint?' and 'what am I trying to say in this painting?'

Using practical exercises with explanatory text, John Lowry develops the thinking and doing processes together and leads the reader to a greater understanding and appreciation of this most exciting art genre. Gives advice on moving from figurative painting towards abstraction, and explains the tools to abstraction - simplifying and exaggerating; eliminating curves and straights; changing colours, lines and items ; emphasising positive and negative shapes; and using contrast. Includes practical exercises to help develop your own style and understand the techniques of the masters, and offers an overview of the lives and times of artists involved in the stage-by-stage evolution from realism to abstraction. Aimed at

beginners and the more experienced, and illustrated with 229 colour illustrations.

REVIEW OF FINE ARTS CBSE

- If you are a person who loves the themes or periods like you play most of the time in D&D you will love this book. I originally saw all of the Lord of the Rings movies first, along with the new Hobbit movie that came out this winter. I do have to say, the movie isn't as good as the book but it was pretty darn close. Tolkien uses his words in a way to intrigue the reader while making them think in a different patter and just sucks you into it. I loved it, and I do recommend reading this book.

- I have read this book before and enjoyed it even more this time. The characters are different and that makes

them more interesting than most! A great story of loyalty, friendship and respect. I wish everyone would read this story with an open mind and with a desire for something that will take them away from the everyday characters of so many, many books.
