REVIEW OF ACCELERATE BUILDING STRATEGIC AGILITY FOR A FASTERMIVING WORLD EBOOK JOHN P KOTTER

- The darkness and simplicity of this wonderful book are frequently misunderstood. Many readers find Merseault cold and emotionless, but this is not the case. Merseault displays emotion in his argument with the prison priest, and (big surprise) his feelings toward his mother. Although he is put on trial for killing an Arab, Mersault is actually condemned for failing to grieve for his mother in public. Have any of you been to the funeral of an elderly realative? Sometimes, despite the emotions you feel for that person, the experience of the funeral is flat, meaningless and logical. All of the love came before the event and will come again many times later. But somehow a funeral leaves one dry and plain. Mersault experienced his mother's death for what it was: a dry and uncomfortable event. He did not put on a show for the people involved with the funeral or those who knew the deceased. His actions were plain and honest. But Merseault does have feelings for his mother. When he learns much later that she had a lover in the elderly home she occupied he feels glad for her. That moment of empathy is an extraordinary act of compassion. It is also a private one. "The Stranger" reveals many simple truths about the kind of people we are and it raises questions about the integrity behind our thoughts and actions. It is a wonderful book whose value is easily overlooked by people who only put stock in a verbose work.

- Literary Classic. It is a rare that any book you have to read for school and that has been translated can be such a fast pace, thrilling read. Camus pens a literary masterpiece that is really one of the early phsycological thrillers. This is a must read.
