## REVIEW OF SIMMONS MATTRESS GUIDE

- The Greek's Ultimate Revengeto the readers...you cannot follow reviews for this writer--she is the type of writer that you will either love or hate--depending on your mood and what's going on in your life. I loved this book. It has its flaws, but the strengths ensured those did not detract. What Julia James is able to do is use words like a master puppeteer...she's able to find the exact words that create emotion. I actually got teary at two scenes: when the heroine discovered the truth...and when the hero realized his feelings. The best way I can describe the experience of this book is to compare it to a movie that has dramatic music...and dramatic scenes that are highly compelling and stirring...that's what the writer was able to do. That's what makes this book work. The ability to connect the reader with the

pain/conflict of the characters. She takes you to the edge and then delivers. The writer has not yet perfected her art--she still needs to refine it--but when she does--if she does it:. wow. We'll be in romance reader heaven. I give this book four stars and say buy it--but be in the mood for a Julia James type story. If you know your HP romance writers, you know what I mean.

- I thought that Love That Dog was wonderful.I almost cried when I read the part about when the dog died.It reminded me from when my dog got ran over.My dad picked it up and put her in the grss.When the little boy turned around and yelled out the dogs name I started to cry.If I was him i would cry and cry all day and night.I'm so thankful that my dog didn't die.If I was the person who hit my dog, I would have turned the car around to see if the dog was all right.Thats my review.
