New Headway: Advanced: Workbook (with Key) Oxford University

Headway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units.

Proven Success Beyond the Classroom OUP Oxford

American Headway 2 builds on the firm grammatical, lexical and functional foundation laid in American Headway 1. Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended. Integrated skills work is an important feature of the series. All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by

extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.

New Headway OXFORD University Press

Clear focus on grammar Balanced, integrated-skills syllabus which really stretches high-level students Real-world speaking skills Full teacher support - resources, photocopyables, tests and more - in print and online

New Headway: Advanced: Student's Book OUP Oxford

Containing many speaking activities, this title aims to balance communicative and traditional approaches. Emphasizing on practice, it ranges from controlled to free tasks. A 'Starter' section features a warm-up activity to lead into the grammar of the unit. The 'Everyday English' sections provide key functional, situational, and survival work.

Elementary. Class Audio CDs OUP Oxford

The Elementary edition brought right up-to-date, with new topics and new features. The Workbook, Teacher's Book, Teacher's Resource Book, Audio CD, and CD-ROM have all been revised.

American Headway 3 Workbook OXFORD

A focused, 50-60 hour course for the revised Cambridge English: Advanced (CAE) exam from 2015. The Student's Book without answers provides C1-level students with thorough preparation and practice needed for exam success. All four of the revised exam papers are covered. 'Quick steps' and Writing and

Speaking guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The accompanying CD-ROM provides interactive language and skills practice. There are two complete practice tests for teachers to access online. Audio required for the Student's Book listening exercises is available on Class Audio CDs or in the Student's Book Pack, both available separately.

Bear in mind, checking out testimonials can aid you make educated decisions concerning what to check out next and can subject you to new writers and styles you may not have actually considered previously.

REVIEW OF NEW HEADWAY ADVANCED STUDENT

- This book is well-written, with complex characters that ring true to life. There are so many layers to this story, its hard to decide what to comment on. The idea that people feel like actors in their own lives is one that rings especially true for me. Most of the characters here have secrets, and you feel that the face they put on in public doesn't reflect who they

really are. Much of the tension that drives the story comes from the conflict between these public and private lives of the various characters. The story is told from Thomas Olsen's point of view, and it is nice to find a male character that is both an athlete and a scholar. He enjoys and excels in his sports, but he also has the soul of a poet and appreciates the power of language. This provides what struck me as a refreshingly honest insight into the inner life of a genuine man. While he is clearly flawed and has trapped himself in his regrets, Olsen remains highly sympathetic, and you can help but hope he finds happiness. Touching on issues of faith and belief, this book provides a complex emotional story about loss and love. We hope for a happy ending, but the ambiguous ending allows the user to extrapolate their own ending to the story.

• I am extremely pleased with the DK Children's Illustrated Bible. When I was browsing the bookstore for young people's bibles, I was surprised to find that there were Catholic Bibles and Baptist Bibles. Naively, I had expected all bibles would be more or less the same except for the illustrations. The DK Bible manages to fend off internecine religious wars by having employed a cast of religious, historical and educational experts in the creation of this work. The "consultants" list on the copyright page includes two reverends, a rabbi, a sister and a father, as well as two experts from the Western Asiatic Department of the British Museum. In addition to the stories themselves, written by Selina Hastings, the introduction and section openers were written by the educational consultant, Geoffrey Marshall-Taylor. Together with

the 11 editors and designers listed on the same page, these experts, the author and the illustrator have created a work that serves the several communities seeking a quality children's bible, and it serves those communities very well. This Children's Bible has many strengths and attributes: * The DK Children's Bible is fundamentally designed as a storybook. There are approximately 140 stories of two or three pages each, all of which seem to have a comprehensible beginning, middle and end (i.e., a strict story arc that may not be easily identified in the meandering source material). * The DK Children's Bible is also an attractive picture book. Each story is illustrated with at least one and as many as three illustrations by Eric Thomas. The Thomas illustrations appear to be in colored pencil, or possibly pastel or crayon, and they are generally representative and clear. * The DK Children's Bible is a primer Bible: Each of the stories are attributed to a specific books, chapters and verses of the Bible, so readers who find their interest spark can go to the original material easily. Many of the spreads include Bible-verse pullquotes. For example, the story "A Son for Zachariah" includes the following quote in the sidebar, "Fear not, Zachariah: For thy prayer is heard; and thy wife Elizabeth shall bear thee a son, and thou shall call his name John. And thou shalt have joy and gladness; and many shall rejoice at his birth." (Luke 1:13-14) * The DK Children's Bible is a visual historical dictionary and art history lesson. In most cases the stories are accompanied with color photographs of related people, places or things and/or with historic paintings, buildings, etchings, sculptures, architectural renderings or decorative objects that relate to the

story at hand. (The introduction, for example, includes images of Matthew, Mark, Luke and John from the seventh-century Lindisfarne Gospels; "The Israelites Turn Against God" features a contemporary bronze idol of Baal; the story of "Jesus Before Pilate" includes images of Roman coins issued by Pontius Pilate.)* The DK Children's Bible is a historical atlas. The Old and New Testament section introductions both include a two-page map of the ancient Middle East with place names labeled. This helps make things like the distance between Nazareth and Bethlehem easily comprehensible. Smaller maps are interspersed through the text as appropriate. For example, the story of "Elijah in the Wilderness" includes a map that explains the relationship between the two kingdoms of Israel and Judah.* The DK Children's Bible is a historical reference work. In addition to the detailed introductions to the Old and

New Testaments, the stories are interspersed with articles explaining the following eight topics that inform the world of the ancient Bible: The Patriarchs, Life in Egypt, Life in Canaan, Conquering Nations, Jesus of Galilee, Daily Life in Jesus' Time, The Early Church and Paul's Journeys. The various stories are also separately annotated with relevant historical facts. For example, story of "The Sermon on the Mount" includes a discussion of the Mount of Beatitudes as a probable location for Jesus' speech.* The DK Children's Bible is a biographical dictionary. At the back of the book, a four-page "Who's Who in the Bible Stories" summarizes the identities of notable Bible characters and refers the reader back to the appropriate stories. For example, "Abednego: One of Daniel's three friends. Pages 162-164." Overall, this is an outstanding book that has a place in every literate child's home.
