## **REVIEW OF ANSWERS TO SUMMIT TRAINING WEB**

- It's a shame that not everyone can read it and understand it; i'm not even speaking of the french version. the extent to which Camus crafted Meursault's character displays his amazing abilities as an author. How many people know that "Meur" comes from the root meaning dead? How many people see the symbolism? How many people actually understand the meaning of existentialism? as for the person who believes that Meursault's actions towards his mom is slightly offensive...you hafta realize that Camus wrote in the extreme. Why do you think Meursault acted the way he did with Marie?? he said..<<SURE! i'll marry you! i'd marry anyone who asked!>> it's all b/c Camus wants us to realize that LIFE is absurd. no matter how un/successful you are..u end up dead anyway. it's not to say that you should live your life without a care...in fact...it's saying that you should live your life to the fullest. THE STRANGER is a great book...IL FAUT QUE VOUS LE LISIEZ. merciMy-Viet

- Throughout my A1 language course, I have to read several books including world literature. The Stranger was one of them and when I finished reading the book I wondered what the propose or theme of this book was. A rational man telling a story in a very monotone way who seems to reject emotions and doesn't mind about anything? Is that what the whole book is about? Yes it is! Camus is trying to illustrate a character who doesn't intend to harm our society and in return is disowned and hated. The fact that Meursault always sticks to the truth is seen as something repulsive which makes him different and

simultaneously he is put into the category stranger. It is useless to search for the theme of the book for there are many. The novel

includes so many interesting aspects which can be interpreted in so many different ways that almost any description of the book will suit the story.
