## **REVIEW OF MATHEMATICS JUNE EXAM GRADE 11**

### **PAPER 1**

- I was pleasantly surprised at how much I enjoyed this read. I usually require a good plot twist. Like, who dunnit? Or, is this person insane? Or, anything that requires me to think. Those are the types of books that keep reading fun. This book really didn't give me any of that. It was simply a scenic tour. And I loved it. I will say that it was a bit more of a pirate story than I had expected. Had I known it was really a pirate book, I would have passed. But, I'm glad I didn't. The storyline is great. The characters are extremely well done. The prose is flavorful. And, I can't believe I'm saying this, the action sequences are suspenseful. Yuck, I

hate action and battle. But these scenes had me turning pages fast. It's a 600 page book. I'm a very slow reader. But when I finished this one is about one week, my wife said wow it must be a good one.

- I thought that this

book has all the necessary ideals in it to make a classic. It has action romance and lots of atmosphere and makes this an essential purchase for all action fanatics or anyone who wants a good read.
