REVIEW OF FILM ON THE FAULTLINE DROPSPIMENTA

- I really never knew that a 19 year old could be so creative, i am only 15 and that was the most amazing book i have ver read, it even beats lord of the rings!!!
- If you read in order to better yourself, don't waste your time. The only ones who like this garble seem to be: kids, inexperienced readers, and people with low literary standards. As time goes on, these books are going to fade away.(If you want a good customer analysis of Eragon, see Capossere's review.)
