REVIEW OF MCGRAW HILL EDUCATION 500 REVIEW QUESTIONS FOR THE MCAT ORGANIC CHEMISTRY AND BIOCHEMISTRY

- I'd have to rank this installment just behind the first book. Jordan's storytelling ability simply shines here. His interweaving of prophecy and history make this a page-turner. His look into

Aiel society had me riveted. They are so intricate and so history-driven, it is amazing!!! Jordan's use of history and culture throughout the series make this a very interesting series, even though some of the books can be slow. Still, this book makes up for that fact many times over.

- Good book. The men don't understand women, women don't understand men banter gets old. Other than that it is a good book and a good series.
