REVIEW OF HIGGINS KRISTAN TROPPO BELLO PER ESSERE VERO

- I couldn't agree more with Niklaas's comments. This story is so well written because you are consumed with Ethan's struggle between living up to what is "socially acceptable" and choosing to follow his own heart. Even in today's society there are huge pressures and we all must make the same choices Ethan makes. If we attempt to escape by other means as Ethan and Mattie did, we ultimately die to ourselves. The fact that I am still obsessed with these characters, that I can't get them out of my mind is another indication of how well-written the story is.

- Ethan Frome was a pretty good book. I really liked the way Edith Wharton described things in the book. Instead of Zeena's house being dark and gloomy, she wrote, "the shutterless windows of the house were dark. A dead cucumber-vine dangled from the porch like the crape streamer tied to the door for a death." I actually felt cold when I read the descriptions about Ethan and Mattie walking home in the snow or when they were sledding. I also liked how the characters seemed real and believable. Zeena is negative, sickly and unpleasant. Ethan is trapped and looking for happiness. Mattie needs someone to care about her. I also think the plot was interesting and very ironic because instead of escaping his unhappiness, Ethan and Mattie make things much worse in the end. I did not like the book in some ways because it is very slow moving and seemed to get too romantic. It's a pretty depressing book, too. There are a lot of references to death, and I felt really bad for Ethan at the end of the book. His life was miserable before Mattie, and much worse after trying to escape his life with Zeena by trying to commit suicide with Mattie. I'm glad it's only a book and not a true story. This may be a good chick-flick book, but it only rates a 3 as a book for a guy.
