Now a major Lifetime movie event, from New York Times

bestselling author and literary phenomenon V.C. Andrews (Flowers in the Attic, My Sweet Audrina) comes the fourth installment in the classic story of the Casteel family saga. Stunned by tragedy, a young woman finds herself desperate and alone, and clinging to the frailest of dreams. Can Heaven's daughter find the inner strength to survive? The car crash that killed Heaven and Logan left Annie Casteel Stonewall orphaned and crippled. Whisked off to Farthinggale Manor by the possessive Tony Tatterton, Annie pines for her lost family, but especially for Luke, her half-brother. Friend of her childhood, her fantasy prince, her loving confidante...without the warm glow of Luke's love, she is lost in the shadows of despair. When Annie discovers Troy's cottage hidden in Farthinggale's woods, the mystery of her past deepens. And even as she yearns to see Luke again, her hopes and dreams are darkened by the sinister Casteel spell...treacherous, powerful, and evil.

Everlasting hell and divine judgment, a lake of fire and brimstone--these mainstays of evangelical tradition have come

under fire once again in recent decades. Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal, conscious torment? Is divine mercy bound by the demands of justice? How can anyone presume to know who is saved from the flames and who is not? Reacting to presumptions in like manner, others write off the fiery images of final judgment altogether. If there is a God who loves us, then surely all are welcome into the heavenly kingdom, regardless of their beliefs or behaviors in this life. Yet, given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history, the pop-universalism of our day sounds more like denial than hope. Mercy triumphs over judgment; it does not skirt it. Her Gates Will Never Be Shut endeavors to reconsider what the Bible and the Church have actually said about hell and hope, noting a breadth of real possibilities that undermines every presumption. The polyphony of perspectives on hell and hope offered by the prophets, apostles, and Jesus humble our obsessive need to harmonize every text into a neat theological system. But they open the door to the eternal hope found in Revelation 21-22: the City whose gates will never be shut; where the Spirit and Bride perpetually invite the thirsty who are outside the city to "Come, drink of the waters of life."

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these

Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

#1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and was developed as a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed

at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how “really, really big” God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in *Heaven Changes Everything: The Rest of Our Story*. *Heaven Is for Real* also is available in Spanish, *El cielo es real*.

This is the book you've been waiting for! Picking up where bestselling *90 Minutes in Heaven* left off, Don Piper reveals for the first time the sacred, intimate details of the people who met

him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, *90 Minutes in Heaven*, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. “I have never left a speaking engagement without people wanting to know more,” he said in *THE PEOPLE I MET IN HEAVEN*, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven—those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to “go and make disciples of all nations.”

#### *Prayer that Claims the Promises of God* Tor Books

In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the

rending text in Matthew. He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel.

Jesus: His Story in Stone is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the book's main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

The Gates of Hell is the follow up to Michael Livingston's amazing The Shards of Heaven, a historical fantasy that reveals the hidden magic behind the history we know, and commences a war greater than any mere mortal battle. Alexandria has fallen, and with it the great kingdom of Egypt. Cleopatra is dead. Her children are paraded through the streets in chains wrought of their mother's golden treasures, and within a year all but one of

them will be dead. Only her young daughter, Cleopatra Selene, survives to continue her quest for vengeance against Rome and its emperor, Augustus Caesar. To show his strength, Augustus Caesar will go to war against the Cantabrians in northern Spain, and it isn't long before he calls on Juba of Numidia, his adopted half-brother and the man whom Selene has been made to marry—but whom she has grown to love. The young couple journey to the Cantabrian frontier, where they learn that Caesar wants Juba so he can use the Trident of Poseidon to destroy his enemies. Perfidy and treachery abound. Juba's love of Selene will cost him dearly in the epic fight, and the choices made may change the very fabric of the known world. "Livingston has spiced real history with a compelling dose of fantasy! Wonderfully imaginative and beautifully told." —Bernard Cornwell, bestselling author of The Pagan Lord, on The Shards of Heaven At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

## **REVIEW OF OPEN THE GATES OF HEAVEN BY PERRY STONE PDF**

- Haven't read it yet, but it looks good. 5 stars all the way
- This ranks right up there with Shakespeare's "Romeo and

Juliet." It is a play that has the same tragic ending as Romeo and Juliet, but has more of a historical significance to it. It tells about one of the most tragic events in our colonial period. Miller brings up the Salem Witchcraft Trials so vividly, and talks about a subject that other writers refuse to talk about- a devastatingly terrible time in our colonial period. He was the first writer I ever knew to actually be brave enough to talk about a dark time in our supposedly glorious colonial time. I definitely give this 5+ stars.
