Bear in mind, checking out reviews can assist you make notified decisions regarding what to review following and can reveal you to new writers and styles you could not have considered before.

REVIEW OF EXPOSURE INSIDE THE OLYMPUS SCANDAL HOW I WENT FROM CEO TO WHISTLEBLOWER 201

- The ONLY reason I am giving this book a MARGINAL 2 stars is because it is entertaining in how bad it is. The plot is contrived, the characters are one sided and annoying and the writing is wretched. And no... it's not even funny. I didn't even crack a grin. But probably the biggest annoyance with the book is how annoying the characters itself are. Lucy tries so desperately to assert her "independence" it's irritating... and the bad boy sexy mytery cop? The whole mid-life crisis thing made him not so mysterious... and defiantly not sexy... Honestly there were times when I had to stop reading in the middle of a chapter and just walk away because it just raditated with... stupidity. If you want to read about a smart, funny airhead, with not one but TWO sexy men than please check out Janet Evanovich Stephanie Plum series. Trust me, you're wasting your time by reading the title.

- Great - awesome- enlightening. Indepth discussion of the Hoy Spirit and how He is applicable in our lives and how He is not for the future but for now
