REVIEW OF OF KARATE IN URDU

- I read the book in my youth and have just finished reading it on my kindle. It is beautifully written conjuring up a world of magic because of the wonderful imagery the writing creates. It was worth the reread. I then made the mistake of going off to see the film, and it was most disappointing in comparison because of the inability to explore the feelings and reaction and interreactions of the characters..Yes!!! A good read.

- It's all been said before. Great book, Great simple little story. I love the way this book flows when you read it. The only complaint I have is the songs they sing in the book. They are really awful and I always just skip them. That said I've read this book multiple times and Read it out loud to my kids when they were younger.
