REVIEW OF BEST PRACTICES FOR SOCIAL WORK WITH REFUGEES AND IMMIGRANTS

- Anne of the Island is the third installment of the smash Anne of Green Gables series. The book begins with Anne leaving for college to further her education the second time. When she arrives, she encounters a slew of minor domestic problems, a new group of friends, and Love. All of which she deals with using that famous atypical personality of a "Kindred spirit" Although the book deals with more serious subject matter than the preceding books, as a reflection upon Anne's growing older, the book starts with the lighthearted catchy fun that made Anne famous in her prequels. Most of

this fun is centered on the Anne's encounters with her roommate cats Rusty, Joseph, and Sarah-Cat. Anne's exclamations of fear at being stalked by the docile house cats is classic Anne and delicious fun. The Book also dives into more serious matter, with Lets be friends-Lets be more than friends-Lets be friends-I hate you-Marry me! Gilbert abandoning his indecisiveness and aggressively courting Anne. Although this relation is of little interest to male readers, it is made a key plot element, most likely because it is attractive to the books target demographic, pre-teen girls. Luckily, most of the content on Anne's romance does nothing to affect other parts of the story much and as a result are harmless to skip when they become drab. Anne of the Island is a solid installment in the Anne series. Although not equaling or surpassing Anne of Green Gables, "Of the Island" leaves little to be desired besides not having a near constant usage of the word "eh". If you an Anne fan, pick up her third book. Eh.

- My granddaughters are 2,4 and 6. When I read them this book they shout,"Again." It is a wonderful sneaky way to teach them how to behave inschool. David is the one getting in trouble, not them. I learned fromthe book "No, David" that when they were getting in trouble I could say,"No, David" they would laugh and stop what they were doing. It's a great improvement from the normal sulky, obstinate or mad response. They lovethe book so much it has been promoted to a bedtime book.
