Keep in mind, reading evaluations can assist you make educated decisions about what to review next and can expose you to brand-new authors and categories you may not have actually considered before.

REVIEW OF ARTIKEL BAHAYA ROKOK BAGI KESEHATAN KITA RIDWANAZ COM

- I'm a real fan of Lewis for his style and character development. In this book you come to really care about and understand the protagonist. The twist at the end is amazing. I've read that Lewis named this as his favorite of his own works. Well worth your time.
- I have a confession to make...I am not a big fan of Lewis. I think as far as intelligent & clear-headed thinking - especially on difficult faith issues - he certainly had a gift. However, I think he makes (made) things too black & white without a real, first-hand understanding of the strength of

emotion, disillusionment, and difficult experiences when dealing with faith. This is true at least until the end of his life when was "defeated" in theological debates by a female atheist, he married a divorced woman (something he had earlier condemned), and then he lost his wife tragically. (The movie Shadowlands explores this marriage and its effects on him.)These events rattled Lewis to the core, and for awhile he lost all confidence in his former theological proclamations (except that God is good). It is my understanding that Lewis wrote "Till We Have Faces" after this huge shake-up in his life. This book represents an understanding he came to after almost all of his faith foundation had been smashed and he had to rebuild it. And, I think, this new level of depth really manifests in this work. While I'm not a fan of Lewis in general, I think this book is absolutely phenomenal.What Lewis has done, as many reviewers have mentioned, is to retell the story of Cupid & Psyche. And he chooses to tell it from the perspective of Psyche's older (and supposedly evil) sister Orual. For the entire first part of the book (labelled Part I), Lewis takes you through a fantastic, confusing, emotional, biting story. Unlike his simplistic themes in the Chronicals of Narnia, Lewis relates a very twisted account of love & jealousy through complex characters, relationships, and landscapes. And as he does so, he allows the reader to become fully sympathetic to Orual and her position...even though she instigates some unfortunate situations.However, while it is tempting with Lewis to draw trite lessons and observations, I encourage you to not do so. I encourage you to let yourself be confused and wonder at the purpose at Part I. For, in Part II he brings it all together very powerfully. Not only does his explain the story, but I think he delivers one of the most disabling blows I've ever read in a novel. I don't want to give away the ending, but Orual's own gasping revelation as she tries to justify her bitterness was simply phenomenal. And, when considering Lewis' likely similar bitterness regarding his short-lived marriage, I feel that this all came directly from his heart.A one-of-a-kind title that I would recommend to anyone willing to grasp with faith and potentially ugly revelations about ourselves.
