REVIEW OF FIKIR ESKE MEKABIR AMHARIC

- A wise and thoughtful analysis of the discipline of biblical hermeneutics, a credible introduction to women's experience and interpretation of authority from a narrative perspective.
- I have developed a group of single women to focus on the teachings of this book and workbook. So far it has been a wonderful blessing for all of us. We have learned about one another as well as a deeper understanding for the Lord. I now know that I must devote my trust, faith, and patience to the Lord before I can reveal these qualities to my Godly man.
