REVIEW OF PASSION OF COMMAND THE MORAL IMPERATIVE OF LEADERSHIP

- I thought this book was wonderful! Shane reminded me a lot of myself, how I see things and how I fear myself sometimes. It was a great book! Everyone should read it!
- Having read four Chapstick books and loving them (his other tiltes left me excited and wide-eyed) I wasn't overly impressed with Sands of Silence. Although the book is well written, includes quality photos, and some interesting infomation about Africa; I thought it lacked the excitement of Peters other excellent hunting tales. You could do worse than buy this book, but I would encouage you to pick another of Peter's titles.
