Jace Walker is a master illusionist, but he can't keep up the act anymore. His family and friends thought he was happy and healthy and at peace with his past. But that was a lie. Every single moment from that awful day has been a lie. Just one big exhausting routine that he can't stop. Always having to pretend to deal with the pain of his life lost. All he wanted to do was feel her again, and the pills always helped. That is until they didn't. Being forced to open up about his feelings is now his life. His newest distraction is this stranger in town with pink hair and an attitude problem who's tormenting his mind while slowly bringing him back to life. One look at AJ, and you'd think she has everything together, but things aren't always as they appear. After leaving home at 18 to forge her own path, she's pulled back to her old life by the death of her sister and brother-in-law, now being the only next of kin for her 7-year-old orphaned niece. With her heart still aching to be free, she now fights the courts for custody of her niece, desperately trying to go back to the life she had. The only problem with her plan is the attractive asshole in the grief support group that she hates with every fiber of her being but who also feels like home. To an onlooker, these two Grumpy Gus's are the definition of toxic, but as fate would have it, they're partnered together to complete their healing journeys. With darkness around every corner, will the stars align on their road to redemption? Content warning: The book contains sensitive subject matter related to the loss of a loved one and suicide.

Redemption: The act of being saved from sin, error, or evil. Antiques dealer by day, secret painter by

night, Rory Flanagan arrives home to find a man, battered and bruised, sprawled out on her newly upholstered Victorian sofa. The brash, six-foot-four stranger takes an unusual interest in Rory's vintage gold pendant—given to Rory by her mother the day she was killed. They say Christian Locke is a loner, an orphan, a mysterious cowboy the small-town gossips deem an outsider. They tell her to stay away. But Rory can't ignore the connection she feels to the mulish recluse, or the interest he has in the cursed necklace she wears around her neck. Christian says he doesn't believe in fate, but every twist and turn of the pendant's story seems to lead her to the same place . . . Welcome to Redemption Road. Your secrets are not safe here. Thats right. Take it all in. Let it sink in deep, as deep as it can possibly go. Relax. Dont be offended. I come highly recommended. Full-bodied righteous indignation with a twist of the times, past and present you cant resist. Comes with some risks, so guzzle or sip. F___ with people if f___ you must, but then dont b___ when things go bust. Things you do leave their tracks, lead back to you, and then bite you back ferociously. Im a Scorpio, an erectile, venomous, crazy eight star child who up to now shunned the limelight but was forced out of the shadows by a man-sized dirty job worthy of Hercules, who though a fine myth, was unavailable so I had to step up like a real man and get the job done. Waste deep in a s___ storm of deceit, betrayal, drugs, rap music, porns deviant sex, scandal, greed, envy, anger, revenge, madness, corruption, and incarceration, I had to wade through some midlife crisis mess I wouldnt wish on anyone. But by the grace of God, Ive gotten a handle on it and have not let go of His hand. After writing *The Devil Made Me Do It Too*, can I expunge the painful past and with a clean slate and conscience embrace the present and enjoy the future? Im still a work in progress and plan or hope to come to an artful end worthy of my Father. Things you do leave their tracks, lead back to you, and then bite you back ferociously. Better keep my eyes open, tail up poised at the ready with a venomous sting, and God by my side. Hes the only one I trust.

It's halftime America! Ay Yi Yai Yi! We are in the middle of The New World Order! Empires rise, decline, and fall. History has witnessed this cycle with the Romans, the Ottomans, and the British. They have all toppled, and if we are not careful, the US will be the next. Many of today's enterprises are a gaggle of debt-addicted extreme financial engineering frogs floundering in tepid snake oil. Unfortunately, many will find their demise in the clutches of IP vultures. If we don't play our trump cards right, the next voracious Empire - the Middle Kingdom of China - will consume us; sending their errand boys to collect bills from the US and over a hundred other countries that it has economically and digitally colonized since the Economic Tsunami of 2008, through "Belt and Road Initiative" (BRI) to its "Digital Silk Road" (DSR). "Make Enterprise Great Again" digs into the foundations of capitalism and traces the ideals, triumphs and zeitgeist of the Roosevelt years in order to "Build Back Better" - and to save us from the impending Fourth Reich. Yeah! It's halftime, America!

A fascinating history of this marketing tactic, and why some shoppers take it to extremes—from a longtime expert couponer. Coupon Crazy examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world the average American doesn't even know about, Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's "Coupon Queens" (and Kings) and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. "My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points: Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book, too." —Angela Russell, The Coupon Project

"Set in Monrovia during the administration of Liberia's former president, Charles Taylor, Redemption Road is a story of recovery, atonement, and the quest for peace and justice in a nation plagued by conflict and inequalities since its founding by freed American slaves. Life in war-torn Liberia is not easy, and it is especially challenging for Bendu Lewis, a young woman who counsels survivors of Liberia's civil war while struggling silently with memories of her own war experiences. When the warlord who once held her in captivity suddenly appears in town, she decides that for her own healing, and for the voiceless victims of the war, she must bring him to justice for his past atrocities. In her pursuit of Commander Cobra, Bendu finds much more than she bargained for, including the courage to finally confront and make amends for her own painful war-time secret. Written with compassion, honesty, and clarity, Elma Shaw's Redemption Road helps us to finally begin to make sense of what has been termed a 'senseless' war. Hers is a new but mature voice that shows remarkable insight into both the causes of Liberia's civil war, and the cure for healing the wounds and averting further conflict"--

Three excerpts from the eight stories ... Antietam I had read the cornstalks ranged between six and ten feet high; from my perspective, the stalks looked higher. The light wind eerily swayed the late summer corn, and the first slants of daylight hit the field. The glint of the sun bouncing off the bayonets chilled my blood, and with utter fascination, I watched the Confederates move about in the green and yellow of the corn like gray ants. The Time Machine The dog grinned coyly, I know what you're thinking - maybe you can get to me - and if I were you, I'd be thinking that too, but shovel or not, everything is drenched in gas, even the shovel. Rex allowed his words ample time to be absorbed before adding, You're gonna catch on fire. That can't be avoided. No matter how smart you are, you can't think of a way out. Cuz there is no way out. You are trapped. The Last Cubicle A long pause ensued as he stared into her eyes, and then he quietly asked, Why am I sitting in the last cubicle with an angel? A sheet of paper appeared in her hand and she pointed at the letterhead. Spell D.E. Mood backwards.

REVIEW OF CRAZY MY ROAD TO REDEMPTION

- I have always wanted to see the movie but I decided first to pick up the book, with all of its many pages. I could not put it down, from beginning to end, I was completely engaged. I recommend this book to everyone I know. Beautifully written and exciting. The movie does not stay true to the stories in the book and some are even just completely made up out of nowhere, though the movie itself is still entertaining. Just read it!

- Marvelous, fresh version of the Anne Boleyn episode of history, narrated by her younger sister, Mary. I found myself totally caught up in the story, even though I've read and seen many versions of the tale of Mary's sister Anne, Henry the VIII's second wife. I had a difficult time putting the book down and could not wait to get back to it. The times and lifestyles are so clearly delineated that I felt part of them.
