## **REVIEW OF MAY CALENDAR GIRL BOOK 5 ENGLISH EDITION**

- What can be said that hasn't already be said about this amazing book. This is the book that brought me to the heart of Christ and showed me what it truly means to be Christian. After reading this book the Bible came alive with meaning and now never ceases to speak to my heart. I shall never be the same again, nor do I want to be. If you are to read this book please lay aside your presuppositions about Christianity and Jesus, open your mind and open your heart or open not the book at all. If today you hear His voice harden not your heart

- In this book, C.S. Lewis gives his defense of Christianity as a religion, a philosophy, and a way of life. Primarily, Lewis argues from morality, citing basic morals that all humans share as virtues. But Lewis isn't like the hundreds of Christian apologists that author thousands of books on the market. Lewis doesn't rely on circular reasoning or emotion to prove his points. Instead, 'Mere Christianity' sets forth an argument that is logical, easy enough to understand, and in accordance with the beliefs that the vast majority of Christians share. I don't think I could describe the content of this book anymore for fear of reducing it to one argument or a handful of points. This is a broad, sweeping book that takes the reader from theism vs. atheism to the problem of duality to sexual immorality. It's at times philosophical, at times theological, and at times even political. Nevertheless, 'Mere Christianity' is not a difficult read. 'Mere Christianity' is an important book for all Christians and an essential book for non-Christians. This book has converted many to Christianity,

including Francis Collins, author of 'The Language of God' and a prominent scientific voice on the Christian front. Its influence on Christian apologetics is incalculable. Buy this book and you will not regret it. This has quickly grown to become one of my favorite books in my collection.
