## **LAUGHING AT WALL STREET HOW I BEAT THE PROS AT INVESTING RECAP: UNLOCK YOUR NEXT LITERARY JOURNEY WITH OUR CONCISE REVIEWS**

### **Laughing at My Nightmare** Business Plus

"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her

that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

### **FIASCO** Simon and Schuster

In this refreshing new take on spirituality, bestselling author Deepak Chopra uses a fictional tale of a comedian and his unlikely mentor to show us a path back to hope, joy, and even enlightenment—with a lot of laughter along the way. Meet Mickey Fellows. A successful L.A. comedian, he's just a regular guy, with his fair share of fears, egocentricities, and addictions. After his father's death, Mickey meets a mysterious stranger named Francisco, who changes his life forever. The two begin an ongoing discussion about the true nature of being. Reluctantly at first, Mickey accepts the stranger's help and starts to explore his own life in an effort to answer the riddles Francisco poses. Mickey

starts to look at those aspects of himself that he has hidden behind a wall of wisecracks all his life. Eventually Mickey realizes that authentic humor opens him up to the power of spirit—allowing him to finally make real connections with people. After taking the reader on a journey with Mickey, Chopra then spells out the lessons that Mickey's story imparts to us: ten reasons to be optimistic, even in our challenging world. Chopra believes that the healthiest response to life is laughter from the heart, and even in the face of global turmoil, we can cultivate an internal sense of optimism. Rich with humor and practical advice, *Why Is God Laughing?* shows us without a doubt that there is always a reason to be grateful, that every possibility holds the promise of abundance, and that obstacles are simply opportunities in disguise. In the end, we really don't need a reason to be happy. The power of happiness lies within each of us, just waiting to be unleashed. And Mickey Fellows's journey shows us the way.

*(Newbery Medal Winner)* Penguin

Maybe you've been speaking English all your life, or maybe you learned it later on. But whether you use it just well enough to get your daily business done, or you're an expert with a red pen who never omits a comma or misplaces a modifier, you must have noticed that there are some things about this language that are just weird. Perhaps you're reading a book and stop to puzzle over absurd spelling rules (Why are there so many ways to say '-gh?'), or you hear someone talking and get stuck on an expression (Why do we say "How dare you" but not "How try you"?), or your kid quizzes you on homework (Why is it "eleven and twelve"

instead of "oneteen and twoteen"?). Suddenly you ask yourself, "Wait, why do we do it this way?" You think about it, try to explain it, and keep running into walls. It doesn't conform to logic. It doesn't work the way you'd expect it to. There doesn't seem to be any rule at all. There might not be a logical explanation, but there will be an explanation, and this book is here to help. In *Highly Irregular*, Arika Okrent answers these questions and many more. Along the way she tells the story of the many influences--from invading French armies to stubborn Flemish printers--that made our language the way it is today. Both an entertaining send-up of linguistic oddities and a deeply researched history of English, *Highly Irregular* is essential reading for anyone who has paused to wonder about our marvelous mess of a language.

*The Book Thief* Simon and Schuster

A Wall Street Insider's Guide to getting ahead in any highly competitive industry "Dave learned how to win in investment banking the hard way. Now he is able to share tools that make it easier for budding bankers and other professionals to succeed." —Frank Baxter, Former CEO of Jefferies and U.S. Ambassador to Uruguay "A must-read for anyone starting their career in Corporate America. Dave's book shares witty and valuable insights that would take a lifetime to learn otherwise. I highly recommend that anyone interested in advancing their career read this book." —Harry Nelis, Partner of Accel and former Goldman Sachs banker In *The Way of the Wall Street Warrior*, 25-year veteran investment banker and finance professional, Dave Liu, delivers a humorous and irreverent insider's guide to thriving

on Wall Street or Main Street. Liu offers hilarious and insightful advice on everything from landing an interview to self-promotion to getting paid. In this book, you'll discover: How to get that job you always wanted Why career longevity and "success" comes from doing the least amount of work for the most pay How mastering cognitive biases and understanding human nature can help you win the rat race How to make people think you're the smartest person in the room without actually being the smartest person in the room How to make sure you do everything in your power to get paid well (or at least not get screwed too badly) How to turn any weakness or liability into an asset to further your career

*The Investment Answer* Penguin

WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships,

diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

**A Self-Mythologizing Memoir** John Wiley & Sons

"The saga of GameStop and other meme stocks is revealed with the skill of a thrilling whodunit. Jakab writes with an anti-Midas touch. If he touched gold, he would bring it to life." --Burton G. Malkiel, author of *A Random Walk Down Wall Street* From Wall Street Journal columnist Spencer Jakab, the real story of the

GameStop squeeze—and the surprising winners of a rigged game. During one crazy week in January 2021, a motley crew of retail traders on Reddit's r/wallstreetbets forum had seemingly done the impossible—they had brought some of the biggest, richest players on Wall Street to their knees. Their weapon was GameStop, a failing retailer whose shares briefly became the most-traded security on the planet and the subject of intense media coverage. The Revolution That Wasn't is the riveting story of how the meme stock squeeze unfolded, and of the real architects (and winners) of the GameStop rally. Drawing on his years as a stock analyst at a major bank, Jakob exposes technological and financial innovations such as Robinhood's habit-forming smartphone app as ploys to get our dollars within the larger story of evolving social and economic pressures. The surprising truth? What appeared to be a watershed moment—a revolution that stripped the ultra-powerful hedge funds of their market influence, placing power back in the hands of everyday investors—only tilted the odds further in the house's favor. Online brokerages love to talk about empowerment and “democratizing finance” while profiting from the mistakes and volatility created by novice investors. In this nuanced analysis, Jakob shines a light on the often-misunderstood profit motives and financial mechanisms to show how this so-called revolution is, on balance, a bonanza for Wall Street. But, Jakob argues, there really is a way for ordinary investors to beat the pros: by refusing to play their game.

At [blog.amf.com](http://blog.amf.com), we are devoted to aiding you discover your next fantastic reviewed by supplying concise and informative Laughing

At Wall Street How I Beat The Pros At Investing publication summaries in different styles. Whether you're a devoted visitor or a laid-back book enthusiast, our summaries supply a look right into the world of each book, enabling you to make informed choices concerning what to read next.

## **RECOGNIZING PERSONALITIES IN LAUGHING AT WALL STREET HOW I BEAT THE PROS AT INVESTING**

### **Because You Tempt Me (Because You Are Mine Part One)**

Wendy Lamb Books

Laughing Shall I Die explores the Viking fascination with scenes of heroic death. The literature of the Vikings is dominated by famous last stands, famous last words, death songs, and defiant gestures, all presented with grim humor. Much of this mindset is markedly alien to modern sentiment, and academics have accordingly shunned it. And yet, it is this same worldview that has always powered the popular public image of the Vikings—with their berserkers, valkyries, and cults of Valhalla and Ragnarok—and has also been surprisingly corroborated by archaeological discoveries such as the Ridgeway massacre site in Dorset. Was it this mindset that powered the sudden eruption of the Vikings onto the European scene? Was it a belief in heroic death that made them so lastingly successful against so many bellicose opponents? Weighing the evidence of sagas and poems against the accounts of the Vikings' victims, Tom Shippey considers these questions as he plumbs the complexities of Viking psychology. Along the way, he recounts many of the great bravura scenes of Old Norse literature, including the Fall of the House of the Skjoldungs, the clash between the two great longships Ironbeard and Long Serpent, and the death of Thormod the skald. One of the most exciting books on Vikings for a generation, Laughing Shall I Die presents Vikings for what they were: not peaceful explorers and traders, but warriors, marauders, and storytellers.

*One Up On Wall Street* Hachette Digital, Inc.

From the Financial Times's global finance correspondent, the incredible true story of the iconoclastic geeks who defied conventional wisdom and endured Wall Street's scorn to launch the index fund revolution, democratizing investing and saving hundreds of billions of dollars in fees that would have otherwise lined fat cats' pockets. Fifty years ago, the Manhattan Project of money management was quietly assembled in the financial industry's backwaters, unified by the heretical idea that even many of the world's finest investors couldn't beat the market in the long run. The motley crew of nerds—including economist wunderkind Gene Fama, humiliated industry executive Jack Bogle, bull-headed and computer-obsessive John McQuown, and avuncular former WWII submariner Nate Most—succeeded beyond their wildest dreams. Passive investing now accounts for more than \$20 trillion, equal to the entire gross domestic product of the US, and is today a force reshaping markets, finance and even capitalism itself in myriad subtle but pivotal ways. Yet even some fans of index funds and ETFs are growing perturbed that their swelling heft is destabilizing markets, wrecking the investment industry and leading to an unwelcome concentration of power in fewer and fewer hands. In Trillions, Financial Times journalist Robin Wigglesworth unveils the vivid secret history of an invention Wall Street wishes was never created, bringing to life the characters behind its birth, growth, and evolution into a world-conquering phenomenon. This engrossing narrative is essential reading for anyone who wants to understand modern finance—and one of the most pressing financial uncertainties of

our time.

### Ruse Currency

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

*How to make money by only buying the best companies in the world - An anthology of investment writing, 2010-20* W. W. Norton & Company

Part One of an addictive eight-part serial novel for devotees of Fifty Shades of Grey and the Crossfire series. Ian Noble and Francesca Arno set the world ablaze in *Because You Are Mine*, an electrifying erotic romance by Beth Kery. Graduate student Francesca Arno has been commissioned to create a grand centrepiece painting for the lobby of billionaire Ian Noble's new skyscraper. It's at a cocktail party in her honour that she first

meets him - and the attraction is immediate for Francesca. It's also bewildering. She's not used to such a wholesale sexual response to a stranger. Enigmatic, darkly intense, with a commanding presence, Ian completely unnerves her. And she likes it. For Ian, she's the kind of woman he can't resist - one that comes all too rarely: a true innocent. But he can sense in her a desire to open up, to experiment, to give herself to the fantasies of a man in control. The first kiss, the first caress, the first challenge for a woman who craves what she's never had - a man who gets what he wants... For more electrifying romance, don't miss the other titles captivating titles by Beth Kery, *Glimmer*, *Glow*, the *One Night of Passion* series, and her bestselling erotically charged *The Affair*.

### The Way of the Wall Street Warrior McGraw Hill Professional

The hilarious New York Times bestseller “sharply observes the lives of globe-trotting, overindulging investment bankers” (Entertainment Weekly). “Some chick asked me what I would do with 10 million bucks. I told her I’d wonder where the rest of my money went.” —@GSElevator For three years, the notorious @GSElevator Twitter feed offered a hilarious, shamelessly voyeuristic look into the real world of international finance. Hundreds of thousands followed the account, Goldman Sachs launched an internal investigation, and when the true identity of the man behind it all was revealed, it created a national media sensation—but that’s only part of the story. Where @GSElevator captured the essence of the banking elite with curated jokes and submissions overheard by readers, *Straight to Hell* adds John LeFevre’s own story—an unapologetic and darkly funny account

of a career as a globe-conquering investment banker spanning New York, London, and Hong Kong. Straight to Hell pulls back the curtain on a world that is both hated and envied, taking readers from the trading floors and roadshows to private planes and after-hours overindulgence. Full of shocking lawlessness, boyish antics, and win-at-all-costs schemes, this is the definitive take on the deviant, dysfunctional, and absolutely excessive world of finance. “Shocking and sordid—and so much fun.” —Daily News (New York) “LeFevre’s workplace anecdotes include tales of nastiness, sabotage, favoritism, sexism, racism, expense-account padding, and legally questionable collusion.” —The New Yorker

*Learn to Manage Your Money & Protect Your Financial Future*  
Bantam

“Why aren’t you using LTM EBITDA for credit metrics?” asked the managing director who sat across from me, his widow’s peak clearly visible as he inspected the sheet in front of him. His spacious office looked out onto New York Harbor. “Bust,” said the vice president, who was a slightly younger, douchier version of Widow’s Peak. He slashed his red ballpoint pen across the sheet and flipped to the next page. “Walk me through the debt paydown and your interest rate assumptions,” continued the VP. “Pretty dovish view. Maybe the Fed knows what they’re doing after all,” said Widow’s Peak. He shot a glance at the VP. They shared a chuckle—at what, I couldn’t tell you. This question about interest rates I knew: Dovish, I thought. Doves fly south for the winter, so dovish is downwards...low interest rates— “We’re running short on time,” said Widow’s Peak. He flipped to the cover page of my presentation. “One final point—all pitch decks

should have the same title.” “Since this presentation was geared towards an LBO analysis I was thinking—” “No thinking. All decks—same title—Discussion Materials.” Noted. Discussion Materials gives the reader an honest look at Wall Street from someone in the trenches. After graduating from Columbia Business School, Bill Keenan joined Deutsche Bank’s investment banking division as an associate where despotic superiors (and the blinking red light of his BlackBerry) instilled low-level terror on an hourly basis. You’ll join him in his cubicle on the 44th floor of 60 Wall Street as he scrambles to ensure floating bar charts are the correct shade of orange and all numbers are left-aligned, but whatever you do, don’t ask him what any of it means. Leaning heavily on his fellow junior bankers and the countless outsourcing resources the bank employs, he slowly develops proficiency at the job, eventually gaining traction and respect, one deal at a time, over a two-year span, ultimately cementing his legacy in the group by attaining the unattainable: placing a dinner order on Seamless one Sunday night at work from Hwa Yuan Szechuan amounting to \$25.00 (tax and tip included), the bank’s maximum allowance for meals—the perfect order.

Characters are the driving force of the story, and we take a closer consider their individualities, motivations, and connections. Your Survival Guide to the Hades of Wall Street The Devil's

Financial Dictionary skewers the plutocrats and bureaucrats who gave us exploding mortgages, freakish risks, and banks too big to fail. And it distills the complexities, absurdities, and pomposities of Wall Street into plain truths and aphorisms anyone can understand. An indispensable survival guide to the hostile wilderness of today's financial markets, *The Devil's Financial Dictionary* delivers practical insights with a scorpion's sting. It cuts through the fads and fakery of Wall Street and clears a safe path for investors between euphoria and despair. Staying out of financial purgatory has never been this fun.

### **Why Humor Is a Secret Weapon in Business and Life (And how anyone can harness it. Even you.)** John Wiley & Sons

A 2021 Edgar Award Nominee for Best Critical/Biographical "Jacqueline Winspear has created a memoir of her English childhood that is every bit as engaging as her Maisie Dobbs novels, just as rich in character and detail, history and humanity. Her writing is lovely, elegant and welcoming."—Anne Lamott The New York Times bestselling author of the Maisie Dobbs series offers a deeply personal memoir of her family's resilience in the face of war and privation. After sixteen novels, Jacqueline Winspear has taken the bold step of turning to memoir, revealing the hardships and joys of her family history. Both shockingly frank and deftly restrained, her story tackles the difficult, poignant, and fascinating family accounts of her paternal grandfather's shellshock; her mother's evacuation from London during the Blitz; her soft-spoken animal-loving father's torturous assignment to an explosives team during WWII; her parents' years living with Romany Gypsies; and Winspear's own childhood

picking hops and fruit on farms in rural Kent, capturing her ties to the land and her dream of being a writer at its very inception. An eye-opening and heartfelt portrayal of a post-War England we rarely see, *This Time Next Year We'll Be Laughing* chronicles a childhood in the English countryside, of working class indomitability and family secrets, of artistic inspiration and the price of memory.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

*GameStop, Reddit, and the Fleecing of Small Investors* Wiley

NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an

extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* “Raw and frequently hilarious.”—The New York Times “A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.”—Forbes “A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch.”—The Sunday Times (London) “Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.”—Kirkus Reviews

Hot Asset Penguin

A National Bestseller Have you ever wondered what it would be like talk to Parker Posey? On an airplane, with Parker as your seat companion, perhaps? Parker's irreverent, hilarious, and enchanting memoir gives you the opportunity. Full of personal stories, whimsical how-tos, recipes, and beautiful handmade collages created by the author herself, *You're On an Airplane* is a delight in every way. In her first book, actress and star of movies such as *Dazed and Confused*, *Party Girl*, *You've Got Mail*, *The House of Yes*, and so many more, Posey opens up about the art of acting, life on the set, and the realities of its accompanying fame. A funny and colorful southern childhood prepared Posey for a life of creating and entertaining, which not only extends to acting but to the craft of pottery, sewing, collage, yoga, and cooking, all of which readers will find in this whimsical, hilarious, always entertaining book. Parker takes us into her childhood home,

behind the scenes of the indie film revolution in the 90s, the delightful absurdity of the big-budget genre thrillers she's turned into art in a whole new way, and the creativity that will always be part of both her acting and her personal life. With Posey's memorable, hilarious, and poignant voice, her book gives the reader a feeling of traveling through not only a memoir, but an exploration, meditation, and celebration of what it means to be an artist. Buckle up and enjoy the journey.

## **REVIEW OF LAUGHING AT WALL STREET HOW I BEAT THE PROS AT INVESTING**

- This book was great! It was able to capture the imaginations of

both adults and children with elements of fantasy and have a both complex and easy to understand plot. It is hard to believe how Tolkein managed to create this entire world. Read the Lord of the Rings, too! It's like a Bible! I LOVE IT!!!!!!

- I ordered the book because I lost my childhood copy of the "Hobbit". They advertise this cover and received a completely different cover copy of the book. Very upsetting. I was looking for this particular edition.
