## **REVIEW OF CAT GRADE 11 EXEMPLAR PAPERS**

- The step-by-step photos and instructions are clear and the roses are true to nature (which is not always the case with sugar flowers). It includes instructions for several nice filler flowers, flower parts and leaves. The finished cakes are elegantly decorated, well photographed and inspiring. The book is directed to more advanced sugar artists, and definitely raises the bar. I consider this book to be a valuable tool and have used it often in the short time I've had it.
- The book was not comprehensive. Simply a brief history and overview of types of uses. The author does not delve into HOW to use the oils (ingestion, inhalation, topical, dosage). Quick and easy read.
