REVIEW OF APGENCO PREVIOUS PAPERS

- I fully expected this book to be illustrated. obviously the reviews I read were for another publication. Without the trippy artwork,the book is just no fun to read.
- My 10 year old granddaughter is the owner of Alice in Wonderland and so far she loves it. I sent it to her because I loved it so much when I was her age. She does spend time reading aloud to her little brother, so he loves it too. My son tells me he listens in to the reading quite often so it is a hit all around.
