REVIEW OF FUNDAMENTALS OF ISLAMIC BANKING AND FINANCE WILEY FINANCE

- Mike Spick's book on the Luftwaffe fighter aces is one of the rare examples of a technical manual being incorporated into a historiographical text. The research is flawless, and most of the aces I know accept the work as being one of the best in print. I would easily recommend this book to anyone wishing to broaden their understanding as to how the vaunted German fighter aces fought and survived. DEFINITELY A GOOD BUY.

- I don't know what it is, but I cry every time I read this!! I'm glad I'm not the only one who thought that the illustrations make this book. The sheer joy on the faces of people who help and love this little dog warms my heart. I think this book truly teaches kindness and empathy towards animals.
