REVIEW OF THE ROLE OF MICROFINANCE IN POVERTY REDUCTION THE CASE OF

- This is a very dated but enjoyable romp. If you just want to be entertained and to enjoy a simpler time than our stressed out world, step back into this novel. Nothing deep, just pure escapism.
- It's very hard to find an unabridged version of this work and I had to wait a few years until this particular version came out...although even here there is some abridgement to eliminate repetition from the manner the story was originally written. I was very happy when it did. As a commentator notedThe Count of Monte Cristo (Penguin Classics)is the authoritative fully unabridged edition although it's in paperback. It's a classic story of the era - if you've never read this or heard of this story, it's classic.In my mind its very similar to Les Miserables and Great Expectations. There's the hero who gets beaten down, then he rises up, gets helped by a benefactor, and then proceeds to get some revenge: its a dish best served cold :-).This edition is wonderfully bound just like all the Everyman Library Editions. It comes with a dustjacket which is nice and it's a thick book.I highly recommend reading this by a fireplace in winter with some wine and cheese.Enjoy
